## 2007

**23 June – 1 July**

**Split, Croatia**

**Mediterranean Institute for Life Sciences (medILS),  
Microbial Genomics and Secondary Metabolites**

Website: [www.jic.ac.uk/science/molmicro/summerschool2007](http://www.jic.ac.uk/science/molmicro/summerschool2007)

**18 – 29 June**

**Adelaide, South Australia**

**2007 Virology Masterclass**

Will include lectures on basic principles and specific viral infections, and a significant practical work component covering many key bench procedures in diagnostic and research virology, and issues such as containment of pathogens, accreditation and quality. Aimed at researchers, infectious diseases physicians and pathologists (trainee and qualified) and university academic staff, who wish to increase their knowledge of basic, practical and clinical virology. Numbers are limited. Further details from: Prof Chris Burrell

School of Molecular and Biomedical Science  
The University of Adelaide, South Australia 5005  
Head, Infectious Diseases Laboratories  
Institute of Medical & Veterinary Science, Adelaide  
Tel: +61 8 8303 5974  
Fax: +61 8 8303 7532  
Mobile: 0401 715 084

**1 – 6 July**

**Melbourne Exhibition & Convention Centre**

**23rd International Conference on Yeast Genetics and  
Molecular Biology**

This is the first time this meeting has been held in Australia and the Australian yeast group is keen to make this a spectacular program. Confirmed speakers include Sir Paul Nurse (Nobel Laureate), Gerry Fink and Steve Oliver.

**23 – 26 Sept**

**Mantra Erskine Beach Resort  
Lorne, Victoria**

**BacPath9 – The molecular biology of bacterial pathogens  
Microbiology goes to Lorne!**

Ever been jealous of those biochemists trotting off to Lorne every year? Well here is your big chance to see what all the fuss is about. The Great Ocean Road, here we come! Bacpath is a biennial ASM-sponsored conference that aims to encourage, facilitate and advance Australian research in the fields of bacterial pathogenesis and host-pathogen interactions.
